Thank you for booking a space at YMCA Cornwall.

Your booking helps fund our work supporting young people at risk of homelessness — we truly appreciate your support.

To help you make the most of your visit, here's some useful info about our facilities. If you need anything, our friendly team is always happy to help.

1

Parking Information

We have a small car park at the front of the building, available on a first-come, first-served basis. If you need a space for unloading or special access, please contact us in advance to reserve one.

A disabled bay is located directly outside the main entrance, with additional accessible parking available on request.

Please note: Parking is at your own risk. Only use marked bays and follow posted signage.

If the car park is full, roadside parking is usually available nearby.

2

Electric Vehicle Charging Point

Our 7.2 kWh charging point is compatible with all EVs and PHEVs and is available 24/7.

Book your slot via the VendElectric App.

3

On Arrival

Please check in at the café desk. If it's your first visit, our team will show you to your room and explain anything you need to know.

If you've parked in our car park, don't forget to sign in at the main entrance. Your room will be set up as requested, but if you need anything else, just ask a member of the team.

4

Fire Safety

Our weekly fire alarm test is usually on Thursday afternoons and timed to avoid disruption. If this changes, we'll let you know.

As the room hirer, you're responsible for keeping a register of attendees and ensuring everyone evacuates in an emergency. Fire exits and the muster point (in the front car park) are clearly marked, please familiarise yourself with them.

If anyone in your group needs help evacuating, let us know when booking or on arrival. Blank registers are available in each room.

For any fire or health & safety concerns, speak to a member of our team.

5

Toilets

Toilets are located on the ground floor near the café.

A more accessible toilet is also available for those with limited mobility.

6

DDA Compliance

Due to the age of the building, we are not fully DDA compliant. However, we've taken reasonable steps to improve access.

Please speak to our team for guidance or specific access needs.

Stairlift

A stairlift is available for accessing the Studio Space. If you'd like to use it, please let us know when booking as it must be operated by a trained staff member.

If the stairlift isn't suitable, please speak to our team.

8

The Coffee Shop and Catering

Our coffee shop is open to the public daily from 8am–7pm, serving tea, coffee, sandwiches, sausage rolls, freshly baked Lavender's pasties, and locally made cakes.

Room users can purchase food on the day or pre-arrange catering for meetings and events. Options include sandwich platters, hot pasties (various flavours), and homemade cakes.

Hot food can be ordered by 11:15am for lunchtime service.
Please discuss catering needs when booking.

9
